

Experienced Traveling Superintendent Job Posting

National Retail Construction general contractor, Inc. is accepting applications to fill the position of Traveling Superintendent. Applicants must possess a proven track record to deliver top quality construction management services on time, on budget and exceeding customer expectations.

Responsibilities:

- Receive all pertinent project information from Project Manager
- Become familiar with plans, specifications, site, local codes, local officials and inspection procedures
- Set up field office, communications, temporary services and trash removal as required
- Assist Project Manager in developing the project schedule
- Schedule all company employees, subcontractors and deliveries as needed so as to not adversely impact the project schedule
- Schedule and attend all required inspections
- Complete and submit all paperwork as required
- Establish and maintain benchmarks and reference points for ongoing layout of work
- Work with owner, owner's rep, architect and subcontractors to resolve any conflicts that may arise and communicate any such conflicts immediately to Project Manager
- Communicate, implement and enforce company safety policy as it pertains to assigned project
- Attend job meetings and/or any other meetings as may be required for the successful and timely completion of current project
- Attend walk through at job completion to ascertain punch list
- Facilitate weekly safety meetings at job site
- Execute punch list in a timely manner and obtain all necessary signed acknowledgments
- Close out field office and project as necessary

Experience: * Proven track record of meeting and exceeding deadlines

- Knowledge of safety procedures and regulations
- Experience with PlanGrid a plus.
- Experience in computer technology
- Ideal candidate will have experience in one or more of the following areas: ground-up construction, renovations, and retail chains
- National Travel is required for this position
